4 REQUESTED CHANGES

For each requested change, identify the exact location and provide a detailed description.
• For small revisions (sentence/paragraph updates): provide the exact replacement language to be inserted into the document and attach a tracked-changes version showing all requested revisions.
• For large or complex revisions (multiple sections): provide a high-level summary of the requested changes and attach a tracked-changes version showing all requested revisions.
A tracked-changes copy of the document is required for ALL submissions, regardless of size.
