New Hire Quick Reference

Everything you need in your first 30 days. Keep this page at your desk.

1 Get access to systems

- Sign in with the temporary password from your welcome email.
- Set up multifactor authentication on day one.
- Request extra system access from your manager in the service portal.

2 Your first week

- Complete required training in the learning portal.
- Meet your onboarding buddy and schedule a weekly check-in.
- Review your team's shared drive and channels.

3 Submit your timesheet

- Timesheets are due every Friday by 5 p.m.
- Use the project codes your manager sends you.
- Missed a deadline? Contact payroll the same day.

4 Find forms and policies

- All forms live in the HR site under Forms.
- Search the policy library by keyword.
- Ask your HR partner if you can't find something.
